| <b>Literacy and Communication</b> <ul style="list-style-type: none"> <li>• Listening</li> <li>• Speaking</li> <li>• Reading</li> <li>• Writing</li> <li>• Viewing</li> <li>• Presenting</li> </ul>                            | <p>My speech was interesting it was about writing stories. I was proud of the way I spoke clearly, next time I will look up at the audience. In reading I am learning my blends so now I am on Green 3, which is at for my age. I am working on blends and chunking words. I split them up and join them back together again. In my story writing I am trying to use interesting words and lots of ideas. In handwriting my goal is to join. In spelling I learn my words every week.</p> |
| <b>Mathematics</b> <ul style="list-style-type: none"> <li>• Number</li> <li>• Other strands</li> </ul>  | <p>I am on advanced counting which is where I should be at for National Standards. I like book work because it's easy but sometimes it is hard and I have to work it out or ask the teacher. I am learning my addition and subtraction facts so I can say them really quickly.</p>  |
| <b>Integrated Topic</b> <ul style="list-style-type: none"> <li>• Learning and Thinking Skills</li> <li>• Understanding</li> <li>• Communication and Information Technology</li> <li>• Education for Sustainability</li> </ul> | <p>On the school trip I had fun. I learnt about birds at the museum and I liked all the parks and the flying foxes. We had to wrap up the egg so it wouldn't break. I am looking forward to the next school trip so I can learn lots more. I like working in the bush. I learn using the computer.</p>  |
| <b>Key Competencies</b> <ul style="list-style-type: none"> <li>• Managing self</li> <li>• Relating to others</li> <li>• Participating and Contributing</li> </ul>   | <p>I can manage myself. I can organise myself and I help others. I try to keep my desk nice and tidy. Sometimes it is OK to get things wrong, because this is how we learn and then we try again. Sometimes you have to try and try.</p>  |
| <b>Health and Physical Education</b>  | <p>I came first in the cross country. I am very good at athletics. I like high and long jump too. I train hard. I can swim, I am learning breaststroke and how to breathe when I am swimming. I can do backstroke, I am learning to dive.</p>   |
| <b>The Arts</b>   | <p>I liked doing pottery, painting, and taking photos. I like singing and dancing. I had fun when we did The Lorax.</p>   |
| <b>Personal Interest and Contribution to School life</b>  | <p>I am proud we got first for our whanau group. We had to work hard in our native area. I help the hydro rangers by keeping the hydroponics neat and tidy. I like school the best part is doing.</p>   |

## Teacher Comments:

At school Sarah has taken responsibility for herself. She is confident and is working at the required level in all areas for National Standards. Well done. She enjoys competition in and out of class especially in athletics. At times she could complete her work faster without being side tracked. Sarah, it is OK to ask for help and or get it wrong at times, as this is how we learn. She has made very pleasing progress in reading and is using a variety of strategies to decode words. You will need to continue reading widely in the holidays. Remember to retell what you read. A great years work Sarah. Have a great holiday.
